### Exceptions include:

- Battery lifetime, as this varies according to use and type of battery.
- Accessories sold along with power tools, eg. drills, bits, etc.
- Parts that are naturally worn through normal use.

This warranty is void if defects in materials or workmanship or damages result from:

- repairs or alterations which have been made or attempted by others.
- the unauthorized use of nonconforming parts.
- normal wear and tear
- abuse (including overloading of the Toolmate product beyond capacity), improper maintenance, neglect or accident.
- use of the Toolmate product after partial failure or use with improper accessories.

### What to do if a Toolmate product fails:

During the 5 year warranty period, should your Toolmate product exhibit a defect in materials or workmanship, your complete Toolmate product must be presented to an authorized Toolmate dealer (see [www.toolmate.info](http://www.toolmate.info)) for repair. No charge will be made for repairs covered by this warranty.
